The Secret Garden

This is the largest of the two function rooms available and features the Secret Garden out the back. Roughly 200 square metres of established gardens with views of Mt Pirongia.

The Secret Garden is the perfect sized view for group parties or Private Staff Functions.

Can easily fit 200 seated or for larger groups "The Cellar" function room can be included, boosting the seating capacity up to 250 guests.

The Cellar

Reception Area

This is our new addition to the family.

The Cellar is a brand new purpose built boutique 1930 styled function centre perfect for smaller groups of up to 90 people seated with ease.

The Cellar also features its own private courtyard, indoor and outdoor gas fireplace and is perfect for those smaller groups.
